About the **FTRE** Exam

FIITJEE

Talent Reward Exam

is a platform to help Students know their true standing at National Level. Based on the performance in FIITJEE Talent Reward Exam (FTRE), Students will also get to know their Rank Potential Index (RPI) / Success Potential Index (SPI), which will help them in understanding their current ability and how they can bridge the gap between their current potential & future aspirations. Students will also get suggestions to plug loopholes so that they can plan their study schedule and improve upon their shortcomings in order to perform to their optimum on any Exam day.

Students of Class

V, VI, VII, VIII, IX, X & XI securing a Rank in Top 500 will get a Certificate of Achievement.

Students of Class VII, VIII, IX, X & XI must appear in both Papers (Paper 1 & Paper 2) to become eligible for Cash Scholarships / Program Fee Waivers / Hostel Fee waivers (if applicable).

Cash Scholarships, Fee Waivers for FIITJEE Programs and Hostel Fee Waivers (if applicable) will be decided on the basis of combined performance in Paper 1 & Paper 2. To avail Scholarship, Student must also score above the minimum cut-off marks in each subject (subject total of both papers). A Student has to appear in both papers in order to be considered for selection.

In case of Class V & VI,

Fee Waivers for FIITJEE Programs will be decided on the basis of performance in the Paper and will be subject to scoring above the minimum cut-off marks in each subject of the Paper.

Why JOINING THROUGH FTRE IS IMPORTANT

We highly recommend that every Student who is thinking to join FIITJEE at any stage must appear in **FIITJEE Talent Reward Exam**. This will help him / her to get Early Joining Benefits like :

- An opportunity to study with the Best peer group and in the superior learning environment. The brightest minds join a FIITJEE program through FTRE or any other Admission Test conducted before, who are eventually grouped in the starting batches at FIITJEE. Hence, these Students get much more time for revision due to early completion of the Syllabus, doubt clearance & additional practice tests. All this leads to an enhanced & optimal performance in the JEE Advanced, JEE Main & other Competitive Exams.
- Lower Program Fee (Fee will increase for subsequent tests).
- Cash Scholarships.
- Maximum chance to avail Waivers on Program Fee & Hostel Fee.

Your chance of getting scholarship in our subsequent tests is less probable as well as the quantum of scholarship to be awarded reduces.

Note : For Students presently in Class V, VI, VII, VIII, IX, X & XI (going to Class VI, VII, VIII, IX, X, XI & XII in 2018) Classes will commence from 1st / 2nd week of April, 2018. START EARLY

Serious Students aspiring for success with a **good Rank in JEE Advanced / JEE Main / other Competitive Entrance Exams** understand the importance of starting early in their preparation for **IIT-JEE**. As these exams have become more competitive now, it is necessary to **build a strong foundation, as early as possible**. FIITJEE's early edge programs are designed to give dedicated Students that extra advantage that can help them **secure a Top Rank in JEE Advanced / JEE Main / Other Competitive Entrance Exams**.

These FIITJEE Programs are conceptualised in a way to give Students, an edge over their peers in various Scholastic / Competitive Exams in the following ways :

1

Students will get more time to adapt to the quantum jump in the level of difficulty with more ease as there will be enough time for understanding and consolidation over a longer spread out academic plan.

2

Students would get the opportunity to ensure Optimum utilization of available time.

3

Early starters will always have more time before the actual Board & other Competitive Entrance Exams as their course curriculum will finish much before the batches starting later, thus giving them maximum lead over others before the target exam.

4

Students will have the opportunity to focus on consolidation of their performance and self-revision, honing of examination temperament & removal of last moment doubts. This is vital in achieving a quantum jump in Rank in JEE Advanced / JEE Main / other Competitive Entrance Exams.

Schools can encourage their Students to appear in FIITJEE Talent Reward Exam so that they win laurels for the School as well as for Subject Teachers.

EVERY SCHOOL PRINCIPAL

has the exclusive privilege to recommend a maximum of **35 Students** (3 Students each from Class V, VI, VII, 5 Students each from Class VIII & IX, 8 Students each from Class X & XI) and **FIITJEE Talent Reward Exam registration fee will be waived off for these recommended Students.**

In case a reputed School, with a large number of talented Students, is desirous of recommending more than 35 Students then it should contact the nearest FIITJEE centre in writing. The final discretion in this case will remain with the respective FIITJEE Centre Head / Centre Coordinator. Decision will be based on the performance of that school in JEE Advanced, JEE Main, KVPY, Olympiads, SAT & NTSE in the previous years.

For Integrated School Program the school fee will be charged from the Student (at some locations scholarship on school fee may also be awarded).

The FORTUNATE 40 batch for each program, at each location, will have a maximum of 40 Students only. Students will have to appear for a selection test on 4th February, 2018. There is no registration fee for the selection test. To be eligible for the FORTUNATE 40 batch, Students have to clear the individual subject cut-offs & also the grand total cut-off.
